FIELD REPORT

Tech Skills Club Progress Report

Follow-up Session — Government Secondary School Wuye, Abuja

DATE	LOCATION	GIEVA REPRESENTATIVES	VIRTUAL INSTRUCTOR
Friday, 29th May 2026	GSS Wuye, Abuja	Zhebati Ogodo, Sunday Eli	Chimcha Titus

OBJECTIVE OF THE VISIT

The primary objective of this session was to evaluate student progress on assigned practical Python exercises, facilitate advanced logic and debugging routines via live virtual instruction, and review examination readiness and STEM career planning for senior students.

Student Attendance (Active Participants Roster)

George Deborah Ehi | Ezeala Chukwuemeka | Atat Emmanuel Uduak | Philip Gabriel | Isaac Haruna | Ezeh Emmanuel | Ugah Tina Azhiseh

SESSION SUMMARY & MODULES COVERED

GIEVA conducted a follow-up technology skill development session at Government Secondary School Wuye, Abuja. The virtual class via Zoom allowed students to demonstrate their research findings and practice mobile and desktop programming.

Python vs. C# Syntax

Comparative review of language structure, readability, and mobile practice routines.

Hands-on Code Practice

Executing basic loops, logic statements, and variable assignments in Python.

STEM & Exam Prep

Reviewing JAMB UTME subject choices and WAEC preparation strategies for SS3 candidates.

STUDENT ENGAGEMENT & FEEDBACK

Students showed continued passion for practical IT tools, actively sharing their experience utilizing mobile Python interpreters outside school hours.

SS3 Academic Acceleration: SS3 students expressed strong appreciation for weekly Friday post-school sessions as they prepare for final WAEC and JAMB exams. They reiterated their appeal for GIEVA's assistance regarding exam registration support.

CONCLUSION & ASSIGNMENTS

To sustain technical momentum between sessions, students were tasked with the following goals:

- **Algorithm Exercises:** Write standard Python conditional logic routines using mobile interpreters.
- **Career Profile:** Document intended university majors and STEM career choices for review with GIEVA mentors.

STRATEGIC RECOMMENDATIONS & ACTION PLAN

- **JAMB & WAEC Sponsorship:** Finalize eligibility criteria and financial sponsorship allocation for identified CHOICES Club members needing registration fee support.
- **Certificates of Completion:** Finalize design and administrative approvals for graduating SS3 CHOICES Club members at GSS Wuye.
- **Equipment Allocation:** Explore provision of additional laptops or digital access kits to facilitate larger student cohorts.
